

OUR SOCIAL MEDIA MANAGEMENT PLATINUM PACKAGE INCLUDES: Our Silver & Gold Packages PLUS an additional five (5) image posts every month with up to two (2) additional curated links per image post. **This is only available as an add-on for the Social Media Management Silver & Gold Monthly Package.**

Instagram As (Add-on): Used as a cross marketing social media channel every month for more engagement.

Profile and tracking setup for Facebook, as well as content generation for Social Media channels including Facebook, Twitter, LinkedIn and Instagram.

Profiles Setup: Facebook, Twitter, Instagram & LinkedIn

Number Of Posts Per Month: 8 (published on Facebook, Cross-posted on Twitter, Instagram and LinkedIn)

Maximum Boosts Per Month: 8 (content will run as sponsored posts with placements on Facebook, Instagram, Messenger, and Facebook's Audience Network)

Available Objectives: Page Promotion, Brand Awareness, Traffic, Engagement, Lead Generation

Number of Hyper-targeted Audiences: Up to 5

*****NOTE:** This Monthly Package does not include paid promotions budget for boosted posts. We recommend an additional minimum of \$100.00USD for the purposes of boosting posts.

THE PROCESS STARTS WITH SOCIAL MEDIA ASSESSMENT: We audit your social media pages and give initial recommendations to improve their visibility.

SOCIAL MEDIA PLAYBOOK CREATION

The tone of voice to use, the products to talk about, and the brand persona will be established here. This will contain the audience profile and projected reach and results of the boosted posts based on the given budget.

SOCIAL MEDIA CONTENT PLAN AND CALENDAR CREATION

The playbook will be updated every month to serve as a calibration tool and includes the content roadmap and calendar.

PAGE AND BOOSTED POST MONITORING

Your pages will be checked every day for comments and messages. Facebook ads will run throughout the campaign cycle.

SOCIAL MEDIA INSIGHTS

Monthly Reports include analysis of the cycle's results and recommendations for the next cycles.
